Philosophy

Covenant Preschool is a child-centered program which strives to foster social, emotional, intellectual, spiritual and physical development through a variety of learning activities. Through a safe, warm and nurturing environment, each child can develop a feeling of confidence and self-esteem which will lead to initiative and independence.

Children at Covenant Preschool learn respect for themselves and for others as they learn how to become part of a group to share, and to take turns.

Children are given opportunities for imaginative play and for creative expression in music, art, movement, and dramatic activities. These activities help to develop children's abilities to communicate clearly and effectively both with classmates and adults. Children are exposed to a wide variety of children's literature and are encouraged to develop problem-solving abilities.

Covenant Preschool tries to create a partnership between home and school based on mutual respect and close communication. We look forward to having your child in our program.

9:00 a.m. – 11:30 a.m. (M – F)

Covenant Preschool offers one preschool class with 2 teachers for children ages 3 thru 5 years old. The class is divided into smaller learning groups for part of each morning to address the varied learning needs of the children. Children may enroll for two, three, four, or five days a week, from 9:00 a.m. to 11:30 a.m. during the regular school year (Sept. - May.)

Our Summer Session meets three days a week (M/W/F) from 9:30 a.m. to 12:30 p.m. (June 12 – July 14, 2017.)

Lunch and More

11:30 a.m. – 12:30 p.m.
Tuesday and/or Wednesday

Lunch and More is offered on Tues. and Wed. from 11:30 a.m. to 12:30 p.m., immediately following the regular preschool class. Children enrolled in Lunch and More bring a lunch to eat with the group. After eating, teachers provide fun activities that often expand on what children are learning in their regular classroom. (Cost: $6.50/hr. A minimum of 3 students enrolled per session is required for this class to operate.)

Class Size

At Covenant, we feel it is important to keep student/teacher ratios low to better meet the needs of the group and of individual children. September through May we have 2 teachers and a maximum of 16 children in our preschool classrooms. Our Summer Session (June 12 – July 14) has 2 teachers and a maximum of 12 children in the class.

Visitation

Parents are welcome to visit the preschool at any time. We have one-way glass in our doors for your convenient observation. You and your child are welcome to visit a class together prior to registering for Covenant Preschool. Please contact the Director to arrange a convenient time.

Communication

Our doors are always open to parents. We have the luxury of speaking with parents daily at drop off and pick up time. We provide a newsletter monthly to inform parents of topics of study and upcoming events, such as VIP Night, Holiday celebrations, School photos, Mother's Day Tea, Open House, and Field Trips. There are also opportunities for parents to volunteer in the classroom if interested.
