Photo/Image Release

Dear Families,

Each year we take lots of pictures of your wonderful children so that we can share some of their joy and wonder with our congregation. The children love seeing the pictures of the fun they had.

It is appropriate, in this day and age, that we ask your permission to take their pictures and to post them at the church and on our website. We are asking your permission and will not do so without it. Names of children will never be used, just the images.

If you have any questions or concerns, please speak with Katie Kinnison, Director of Christian Education, or with Tracy Keenan, our Senior Minister.

Thank you.

Consent for Use of Information and Persona
