

## **Preschool Summer Session 2017 Information**

Mon., Wed., Fri., 9:30 a.m. – 12:30 p.m.  
June 12 – July 14, 2017

This session is designed for children ages 36 months through 5 years old. Teachers prepare the environment and design activities to engage children in playful learning experiences with as much outdoor time as possible. The class explores topics such as bugs, outer space, dinosaurs, castles, and ocean life.

The child:teacher ratio for this class is 6:1. The flexible schedule includes gathering time, large group time (read-aloud, songs, music and other directed learning activities), free choice time (science, math, engineering, social studies, language arts, gross motor, cooking, and arts and crafts choices), clean-up time, snack time, and outdoor/gross motor/playground time.

Parents provide a packed lunch or snack for their child. Tuition for Summer Session 2017 is \$350. There is no application fee or supply fee.
