BE Church

Covenant Stewardship 2018 Dedication Sunday: May 20

Be Church

To break down barriers to belonging, sharing, and participating, we are asking questions like these:

- ✓ What can we do to **make it easier** for people to really feel part of the community of faith?
- ✓ How can we **make it easier** to participate in ministry and share resources?
- ✓ How can we **make it easier** for people with difficult financial situations to feel good about giving a little at a time, while challenging those who are gifted with resources to take it up a notch?
- ✓ How can we go beyond being *consumers* of what Covenant offers to *seeing ourselves as part of what Covenant offers*?

As the hands and feet of the Body of Christ, we are all called to **Be Church**: to equip one another for living, loving, and giving God's love to this world in a whole spectrum of beautiful ways.

Let's create ways to make it accessible to everyone!

How much should I give?

Putting our love and faith into action through giving is more than a financial decision. It's a spiritual decision, which means that it is done prayerfully.

- Invite God to look over your financial information with you.
- Consider what percentage of your income you think God is calling you to give.
- We may think of giving God our leftovers when we ought to give of our "first fruits."
- If it's not a challenge, you might be thinking too small.
- If your actual income does not reflect your financial holdings, consider stocks, real estate, and other holdings.

Watch for your pledge cards in early May.

Where does our pledge money come from?
